## **Inclined Plane**

## Lift or Roll?

| Number of Books | Force to Lift | Force to Roll |
|-----------------|---------------|---------------|
| 1               |               |               |
| 2               |               |               |
| 3               |               |               |
| 4               |               |               |

| Which is easier, rolling or lifting? |
|--------------------------------------|
| What kind of force did you use?      |
| What unit did you use?               |
